	<u>Management System Certification Process</u>	Document No.	OSS/QI/11
		Revision date	08.05.2017
		Rev. No.	03
		PAGE	1/7

PURPOSE

The purpose of this Instruction is to provide relevant information about OSS Management System certification process, In View of Public Interest to make aware to Interested Party, Certified Client, Potential Clients (Those who are interested in Certification of Management System). OSS is conducting an impartial and independent assessment of a company's management system for issue and maintenance of certification to the management System standards.

SCOPE OF ACTIVITIES

The certification scheme regulation provided by OSS Certification Services Pvt Ltd is a third party system certification scheme with an objective of giving recognition to companies who have effectively implemented and maintained the documented system. Scope of activities follows as below:

- Receipt of Application from Potential Client for Management System Certification or certified client for Scope Extension/ Reduction or Certification of New Standards.
- Conduct of independent assessment for Management System certification.
- Review of Audit File and Issue of certification
- Conducting Surveillance Audit for verification of continuing compliance management systems to certification standard
- Conducting Re-Certification Audit -within the validity of the certificate.
- Supplementary/ Re-assessments (required where major non-conformities have been identified or major changes in the organization or its system have been identified/ notified or any complain from Interested Party.

APPLICATION PROCEDURE

Inquiry and Request for proposal: Upon receipt of an inquiry, the **Form F 11 & F 13** Company Profile Questionnaire is required to be completed by the applicant company. Based on the information provided, a detailed offer is submitted for the client's consideration and acceptance.

Application: Upon confirmation of acceptance of OSS Application. The OSS Marketing Team will send complete 3 Years certification Fess Structure (proposal). After Receipt of acceptance of Proposal from Applicant client organization, the process of Initial/Scope Extension certification commences with the scheduling of audits on mutually agreeable dates.

INITIAL CERTIFICATION PROCESS

Audit Plan and Schedule (For Stage-1 Audit)

OSS will send the Audit Plan and schedule for Stage-1 Audit (at Least one-week advance) to Client organization for acceptance of Audit Date and Audit Team acceptance. After receipt of Acceptance from Client organization, the Stage-1 Audit shall be Planed.

STAGE – 1 Audit

An onsite review of the client's management systems documentation is conducted to verify that the requirements of the management standard are satisfactorily implemented and documented. Audit report (Stage – 1) is issued listing any non-conformity against which corrective actions are required to be taken. OSS expects its clients to implement their Management System at least 3 months prior to an onsite Registration Assessment which needs to be confirmed at this stage.

	<u>Management System Certification Process</u>	Document No.	OSS/Q1/11
		Revision date	08.05.2017
		Rev. No.	03
		PAGE	2/7

During the Stage-1 Audit – The Audit Team will find the Compliance / Non-Compliance/ Opportunity for Improvements. The Audit Team Shall Communicate the same to Auditee organization during the closing meeting for the Acceptance of Audit findings.

Audit Plan and Schedule (For Stage-2 Audit)

OSS will send the Audit Plan and schedule for Stage-2 Audit (at Least one-week advance) to Client organization for acceptance of Audit Date and Audit Team acceptance. After receipt of Acceptance from Client organization, the Stage-2 Audit shall be Planned.

STAGE – 2 AUDIT

The purpose of Stage-2 audit is to the determination of conformity of the client's management system against the audit criteria and the ability of management system to meets applicable statutory, regulatory and contractual requirements. So that the objective of Stage-2 Audit shall be clearly identified in Stage -2 Audit Plan (F-0020) according to the purpose of Audit.

In line with the stage -1 audit, OSS will conduct the Stage-2 Certification Audit **either at all sites or sampled (as needed)** to assess conformity with the requirements of the applicable standard. The Stage-2 Audit is a Full System Audit.

During the Stage-2 Audit – The Audit Team will find the Compliance / Non-Compliance/ Opportunity for Improvements. The Audit Team Shall Communicate the same to Auditee organization during the closing meeting for the Acceptance of Audit findings.

CORRECTIVE ACTIONS AND FOLLOW-UP

If during the Audit Non-Compliance against the Audit Criteria is found and Auditee organization accepted the Same.

Auditee Client is required to submit a corrective action plan - where minor lapses is found is categories as Minor Non-Compliance. At the condition of Minor Non-Compliance, the Auditee Client organization is required to Submit the Corrective Action along with supporting evidence for implementation -within 30 days from Date of Issue of minor-NC.

When the Non Compliance categorized as Major NC- (i.e) Lapses of Implementation of Requirements of Audit Criteria or Similar Nature of minor NC found in many processes of the organization or Lapses of implementation of Legal / Regulatory body requirement. In this situation, the Auditee Client organization is required to implement the Corrective action and submit the Corrective action report along with supporting evidence within 90 Days to OSS Audit Team Leader for verification. If the Audit Team Leader Satisfy with CAR submitted. Audit Team Leader will recommend for Certification and Submit the audit report for Review and making the certification decision.

If Audit Team Leader is not satisfying with CAR a Supplementary Audit shall be planned for verification of implementation. The same shall be notified to the client in advance. After supplementary Audit and verification of implementation of CAR , Audit Team Leader will recommend for Certification and Submit the audit report for Review and making the certification decision.

RECOMMENDATIONS

Audit Team Leader shall recommend for the granting of Certification, refusing, maintaining of certification, expanding or reducing the scope of certification, renewing, suspending or restoring following suspension, or withdrawing of certification, are only recommending authorities based on the Audi findings and review of CAR. These recommendations are impartially verified through Review of Audit Report by the competent person or Team and the certification decision shall be made.

CERTIFICATION DECISIONS

- An Impartial Competent Auditor/Technical Reviewer reviews the Audit Report submitted by Lead Auditor and if found satisfactory, then reviewer will recommend CEO for the Certification Decision, related to certification for granting, refusing, maintaining of certification, expanding or reducing the scope of certification, renewing, suspending or restoring following suspension, or withdrawing of certification.
- The certification shall not be granted until there is sufficient evidence to demonstrate that the organization's Management System is complying with the requirements of Audit Criteria /standards.

ISSUE OF CERTIFICATE

Upon completion of the review of audit report documentation and acceptance of corrective action, OSS will issue the Certification to Registration of the Client organization. This will be subject to the full Audit fee payments against the invoice(s) issued to the client that has been received at OSS.

VALIDITY AND RENEWAL OF CERTIFICATES

Certificates issued by OSS remain valid for a period of three years from the date of Certification Decision. The first surveillance Audit shall be conducted with the 12 months from date of certification decision and successive periodic surveillance Audit shall be conducted on the calendar year basis. The Recertification Audit shall be conducted within the validity of the certification period.

SURVEILLANCE ASSESSMENT

The certified organization will be subjected to a surveillance audits (either six monthly or annually). The first surveillance visit being scheduled on a suitable date, six months or twelve months from the date of Stage-2 Audit. The OSS will provide the complete Three Year Certification Cycle Audit Program Plan at the time of Contract Review with OSS. For the acceptance to the client organization. So that Surveillance Audit and Re-Certification Audit shall be conducted on time.

In case of delay for more than a month from the surveillance Audit / Re-certification Audit, as per the agreed audit plan date. It is a certified client organization to provide the valid justification for delay for not allowing for the conduct of Audit, without a valid justification that will lead to the conduct of a reassessment. OSS reserves the right to conduct such reassessment. In case the Re-Certification Audit is delayed more than a month, as per the Agreed Audit program, the OSS reserves a right to either suspend the certification or conduct a full assessment again, as per Initial Certification Audit program/Process.

SPECIAL AUDITS

EXPANDING TO SCOPE

When the certified client organization applied for an extension to the scope of a certification already granted, the Application shall be reviewed as per OSS documented procedure and application reviewer determine any audit activities necessary to decide whether or not the extension may be granted. If decided to for extension of scope, the audit shall be conducted in conjunction with a surveillance audit.

SHORT-NOTICE AUDITS

The Short Notice or unannounced Audit of certificate client site shall be conducted in the Following Situations, considering the significant to certification

1. For Investigation of Complaint.
2. Follow up on Suspension.
3. The change to legal, commercial, organizational status or ownership.

	<u>Management System Certification Process</u>	Document No.	OSS/QI/11
		Revision date	08.05.2017
		Rev. No.	03
		PAGE	4/7

4. The changes of organization and management (e.g. key managerial, decision-making or technical staff),
5. Changes to contact address and sites,
6. Changes to Scope of operations under the certified management system.
7. major changes to the management system and processes

IN SUCH CASES OF SHORT NOTICE AUDIT

- a) OSS shall update to Client organization in advance and the conditions under which these short-notice visits are to be conducted.
- b) OSS shall update the client about the Audit team members in advance and after acceptance of Audit Team combination, the Audit shall be planed.
- c) OSS shall exercise additional care in the assignment of the audit team because of the lack of opportunity for the client to object to audit team members.

MAINTENANCE OF CERTIFICATION

Certification / Registration remain valid in case of:

- Maintaining an effective Management System
- All Surveillance / Reassessments getting conducted as per schedule
- All corrective actions getting resolved in case of major Non-conformity or Complaint in the stipulated time frame and to the satisfaction of the Lead Auditor/ Auditor.
- Any major change in the organization/Management System is handled satisfactorily and promptly communicated to OSS
- All the fee payable has been paid to OSS in time.

NOTICE OF CHANGES BY A CLIENT:

To ensure that the certified client informs the OSS, without delay, of matters that may affect the capability of the management system to continue to fulfill the requirements of the standard used for certification. These include changes relating to:

- The legal, commercial, organizational status or ownership,
- Organization and management (e.g. key managerial, decision-making or technical staff),
- contact address and sites,
- Scope of operations under the certified management system, and
- Major changes to the management system and processes.
